COVID-19 RESPONSE: 2021-2022 GAC opened with the majority of our students choosing to attend in-person classes. Instruction offered in-person, synchronous, and asynchronous at the discretion of our families. School schedule returned to our typical 7 period day with a modified block period two days of the week. In 2020-2021, GAC offered in-person, synchronous, and asynchronous instruction. All options followed our regular curriculum and grading standards. We added an additional 8th period to the day to allow social distancing for in-person classes.
